

Request for Behavior Consultant Services

Date _____

School _____

Student _____

Grade Level _____

IEP Y/N

Staff requesting services _____

District behavior consultation services are prioritized based on severity of student behavior, impact of the behavior on school site, interventions already in place, and overall district need. Behavior consultation services may include:

- *individual behavior plans*
- *functional behavior analysis (FBA)*
- *development and implementation of positive incentive systems*
- *EA training*
- *contact with students in crisis*
- *social skills group facilitation*
- *referrals to Lane School or alternative school placements*
- *transitions to and from alternative school placements*

Describe problem behaviors and how they are impacting the school environment:

Describe interventions that are currently in place:

1. _____

2. _____

3. _____

Which behavior support services would you like to access?

Please send to Sped Director; you will be contacted with a timeline for services
